In re: 700 MHz Interoperable Broadband Public Safety Broadband Network PS Docket 06-229

Dear Ms. Dortch:

On March 3, 2010, Roger Quayle, Chief Technology and Co-Founder of IPWireless, Andy Smith, Vice President of IPWireless, and I, the undersigned, visited with Jamie Barnett, Jennifer Manner with the Public Safety and Homeland Security Bureau, and Stagg Newman (via teleconference), Mike Iandolo (via teleconference), Ronnie Cho, Pat Amodio, Tom Peters, and with the Office of Strategic Planning to review and comments on proposed elements of the public safety portion of the pending National Broadband Plan.

Specific focus of the plan review included the functional and operational elements of the Emergency Response Interoperability Center and proposed funding elements for the construction of the public safety broadband network.

Respectfully Submitted,
